MODULAR INTERIOR AND EXTERIOR WAY FINDING SOLUTIONS

### POSTER FRAME

Our poster frame allows a quick and easy presentation of all your posters. We offer different options:

- Silver anodised aluminium profiles.
- Different RAL colours available upon request.
- Available with mitred corners (45°) or rounded corners.
- Also available in waterproof.

	A6	A5	A4	A3	A2	A1	B1	B2	A0	45°	Round	Waterproof
20mm	x	x	x	x	x	x	x	x	x	x		
25mm		x	x	x	x	x	x	x		x		x
32mm				x	x	x	x	x	x	x	x	

### LOCKABLE FRAME

This frame can be locked with an Allen key, which makes it suitable for public areas. The four sides of the frame are opened sequentially by removing the security screw. Available in silver anodised profiles:

	A4	A3	A2	A1	A0	B1	B2	45°	Waterproof
32mm	x	x	x	x	x	x	x	x	
35mm	x	x	x	x	x	x	x	x	x

### MENUBOARD

Our menuboard can be displayed in strategic places. The decorative menuboard is available in landscape or portrait, in A4 or A3 format. The height of the post is 1000mm for the A4 format and 1200mm for the A3 format. Our flexible menuboard is multifunctional. The angle (0 - 90°) of the frame and height of the post are adjustable.

### A BOARD

This popular double sided customer stopper is equipped with 2 poster frames. Options such as a top board and literature basket complete the system. This silver anodised A-Board is delivered standard with rounded corners. Mitred corners (45°) are available upon request. Sizes : A2, A1, A0, B1 and B2

### AL MAKI

A double sided customer stopper with a modern, stylish design. The Al Maki is silver anodised and delivered standard with mitred corners (45°). Rounded corners are also available upon request. Sizes : A1, B1 and B2

### INFOBOARD

The infoboard is a freestanding poster holder available in different models : Single or double sided with or without illumination. The infoboard has a height of 1760mm and is available in sizes : A1, B1 and B2.

### SNAPLIGHT

This ultra thin snap frame lights up your poster with a homogeneous light. Available in single or double sided frames with sizes : A3, A2, A1, A0, B2, B1 and B0.

### LEAFLET DISPENSERS AND BROCHURE HOLDERS

We offer a lot of solutions for dispensing your leaflets/brochures or for displaying different documents (menus, price lists, ...). The transparent holders are available in different colours and different sizes : A4, A5, A6 or 1/3 A4 portrait or landscape

### DECORATIVE TOTEM

This totem is an elegant combination of design and functionality, made of the best quality materials. You can easily replace your posters by opening the front profile. The totem has a height of 1800mm and is available in A1, A0, B2 and B1.

### SWINGMASTER

A modern double sided customer stopper which is 100% waterproof. Available in silver anodised with mitred corners (45°). Sizes : A2, A1, A0, B2, B1 and B0.
